

## SCA Financial: Bottom Fishing

To bottom fish you first need to know what pattern you are looking for.

1. If you are looking at the bottom of what you hope will be a cup, the [pattern will look ugly

2. or you are looking for break out from the handle

1. short term moving average crosses longer term moving average

2. higher lows

3. resistance

FINVIZ 20 day simple. SMA 20 cross + candlestick Hammer (add short float above 15%)

Marketedge.. screener Pric moving aver.. Near resistance 10/21 bullish cross
